July 2011 – Issue 3

Indiana Code 20-34-7-4: Any Player suspected of sustaining concussion or head injury; removal from play; prohibition against returning to play

A high school student athlete who is suspected of sustaining a concussion or head injury in a practice or game:

1. shall be removed from play at the time of the injury; and
2. may not return to play until the student athlete has received a written clearance
